About

Musician Paul Elwood, based in central New Jersey, provides tasteful musical entertainment for your residents and guests. Your seniors will certainly enjoy hearing and singing along to the music of their younger days! Paul's repertoire includes standards from the Great American Songbook from the 30s to the 70s, along with an eclectic mix of classic and current popular, blues and rock tunes.

"I love to interact with the residents and I especially enjoy when they sing along with me. My goal is to entertain and engage your seniors- and make sure we all have fun!"
