

Come as you are

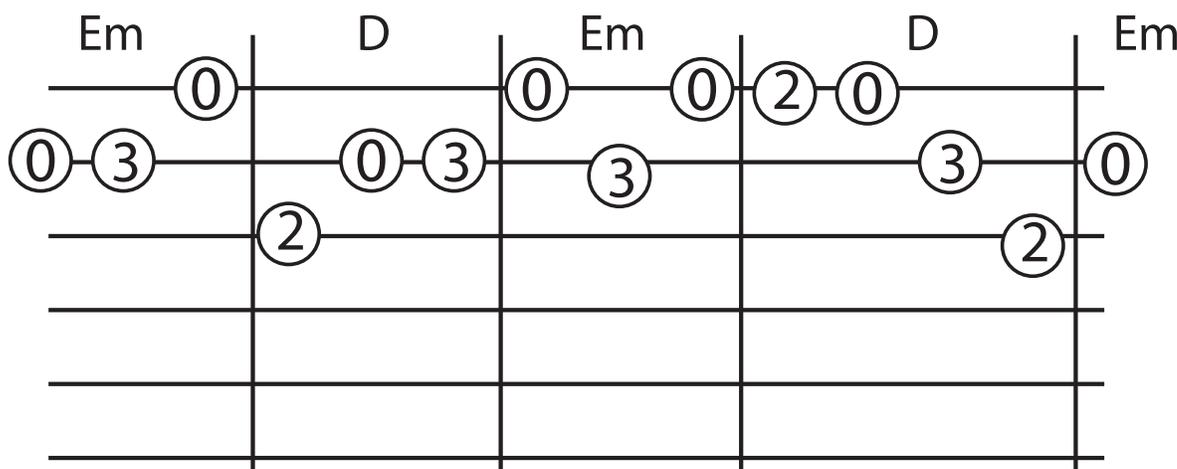

Part 1

To start, the two chords we need are illustrated here. The Em has a lovely, sad, poignant sound.

"X" means don't let that string sound.

The numbers indicate which finger to use.

Em | D | Em | D | Em
Come as you are as you were as I want you to be

Please write out the next part of the lyrics with the appropriate tab positions indicated

Resources: **How to play a chord:** "Chord Namer" is an excellent free resource and you can find it here: <https://jguitar.com/>. **"Come as You Are" chords and lyrics:** <https://tabs.ultimate-guitar.com/tab/nirvana/come-as-you-are-chords-77621>. Don't forget to transpose to Em if the score is not set that way. **Nirvana video:** <https://www.youtube.com/watch?v=vabnZ9-ex7o>. **Practice video:** https://youtu.be/H2O5cJv_xlc
