

# Lean On Me

Bill Withers

We can play all the G scale notes on the 6 string

The same notes are available on the 5 string from A! We can start at the 3rd note (B) and if we play both the 1st and 3rd notes at the same time, we've created a 3rd harmony.

Try playing both notes on the 6 and 5 strings at the same time for this beautiful song.

4 Use your 1st and 2nd fingers when the frets are together and 1st and 3rd otherwise.
